

Wuhan Line Power Transmission Equipment Co., Ltd.

Main Products: Composite Insulator, Silicone Rubber Compound, Porcelain Insulator, Glass Insulator, Hardware Fittings, Protection Equipment

Company address: Yangguang Avenue East, Miaoshan Development Zone, Jiangxia District, Wuhan, Hubei, China

Business Type: Manufacturer/Factory & Trading Company

Wuhan Line Power Transmission Equipment Co., Ltd.

Wuhan Line Power Transmission Equipment Co., Ltd. Was established in 2008 and is mainly engaged in the research, development, production and sales of high voltage transmission power composite insulator series products.

Located in Wuhan, we implement ISO 9001: 2015 Quality Control, ISO14001: 2015 Environmental Management System, and ISO 45001: 2018 Occupational Health and Safety Management System. The company has more than 400 acres of production land and has built six assembly line production workshops with a total of 30, 000 square meter of workshop space.

The company's products are AC composite long-rod insulators with rated voltages from 10kV to 1000kV and rated mechanical loads from 70kN to 550kN; DC composite long-rod insulators of rated voltages from ± 400kV to ± 1100kV and rated mechanical loads from 160kN to 1000kN; Composite line post insulators up to 550kV, substation post insulators, braced post insulators, pin insulators, cross-arm insulators, and composite insulators for electrified railways. All products are certified to international quality standards - IEC, ANSI, AS, BS, CAS, GB, and more

33kv Vertical Line Post Polymer Insulator for Power Distribution

US \$ 20-30 / Piece
Min.Order: 500 Pieces

Port: Shanghai

Payment Terms: T/T

Package: Plywood Cases, Solid Wood Case...

Usage	High Voltage Power Transmis...
Product Packing	Plywood Cases, Solid Wood C...
Critical Impulse Flashover ...	200kv
Color	Gray, Red, Customized
Contract Manufacturing	OEM Service Offered
Material	Composite Polymer
Size of Bearing Capacity	12.5
Minimum Creepage Distance	1100mm
Connection Method	Trough Type

Certification	ISO9001
Brand	Line Power
Product Trademark	Line Power
Type	B Type Insulator
Product Origin	Wuhan, China
Structure	Post Insulator
Business Type	Manufacturer, Trading Company
Application	High-voltage
Wet Power Frequency Withsta...	Kv
